Settlement of Outstanding Balance in Advance Account - ☐

1. Our records indicate an outstanding balance of \$1,400.00 in subject's advance account. This balance represents an advance for translation and publication of manuscript dated 7 June 1951, accounting to be rendered at the end of each month.

2. To date no accounting has been received which will offset this balance. We realize, however, that an accounting and/or refund could have been submitted to the Finance Division that has not yet reached our Accounts Branch. If such is the case, kindly indicate on the bottom of this memorandum the period covered by the accounting, the date submitted to the Finance Division, and the person to whom it was addressed, in order that we may bring our records up to date.

3. In the event no accounting has been submitted to liquidate this advance, it is requested that such an accounting and/or refund be submitted immediately in order that the advance can be cleared from our records.
